THE NATIONAL UNION CONVENTION AT PLATTSBURGH.  
The telegraph has just informed our readers that the National Union Convention at Plattsburgh has adjourned until the 10th inst. for the purpose of holding the National Union Convention. This body, accordingly, will convene one week and two days after the adjournment of the Chicago Convention, to meet the 10th of May. The time is not unpropitiously chosen, and we trust may lead to a successful result. Combined with the peaceable, sagacious, frugal, independent, and energetic public spirit which characterizes the Unionists, the Convention, we are as well acquainted with, we believe, every confidence that it will. One thing at least we believe to be certain, that the Convention will be held at Plattsburgh, New York, on the 10th of May, and that the National Union of the country will be a reality.
